

**Michel MAESTRE
(France)**

Treasurer of EFTA-TIC

Michel MAESTRE is a clinical psychologist who was trained in family therapy by Edith Goldbeter. His practice has been influenced by Mony Elkaïm's work on "resonance".

He has been working as a couple and family therapist since February 1985.

In 1989, he created the training institute PSYCOM. He is the director of PSYCOM.

In recent years he has specialized in 2 fields; couple therapy and network family therapy.

He was the president of the 7th EFTA congress PARIS 2010.
